

Dr Sukumar Magdum Foundation's
Late Mrs Housabai Homoeopathic Medical College Nimshiragaon
Dept. Of Surgery and Homoeopathic Therapeutics
Month wise Syllabus Distribution of Theory for II BHMS for Academic Year
2022-2023
Dr K.M.Mallannavar

Sl No.	Month	Topics with Allotted Hrs	Sub-topics with Required Hrs	Req.Hrs
1	August	1. Introduction 2. Inflammation, infections 3 Homoeopathic approach 4hrs	Introduction to surgery and basis surgical principles 2 hrs Inflammation, infections- Acute and Chronic, Specific and Non-Specific.etc. 2 hrs Homoeopathic approach in acute and chronic infections.2hrs	6 hrs
2	September	4. Boil - 2hrs 5. Abscess- 2 hrs = 4 Hrs	Boil - aetiopathogenesis, clinical presentation, general and homoeopathic principle of its management 3hrs Abscess- aetiopathogenesis clinical presentation incision and drainage of abscess, general and homoeopathic principle of its management 3 hrs	6 hrs
3	October	6. Carbuncle - 2 hrs. 7. Cellulitis- 2hrs = 8. Erysipelas- 2hrs = 6Hrs	Carbuncle –aetio-pathogenesis clinical presentation, general and homoeopathic principle of its management 2hrs. Cellulitis-aetio-pathogenesis clinical presentation, general and homoeopathic principle of its management 2 hrs Erysipelas-aetio pathogenesis clinical presentation, general and homoeopathic principle of its management 2hrs	6 hrs
4	November	9. Haemorrhages - 4hrs	Haemorrhages - general and homoeopathic principle of its Management 4 hrs	4hrs
5	December	10. Tumours	Tumors- types, clinical presentation of benign and malignant tumors,TNM classification and staging of malignant 4 hrs	4hrs

Inward No: 19
Date: 29/08/2022

Principal
Late Mrs. Housabai Homoeopathic
Medical College & Hospital, Nimshirgaon

6	January	11. Tumours - 8hrs	Special investigations and its homoeopathic approach in treating benign and malignant tumors as curative or palliative..4hrs.	4hrs
7	February	12. Burns- 4 hrs	Types, pathology, clinical assessment of patients, Understanding complications of disease, General principles of conservative and surgical management in burns cases, Role of skin grafting in burn cases, Defining scope of homoeopathy in management of burns .6 hrs	6hrs
8	March	13. Shock 5 hr	Types of shock and general & homoeopathic principles of its management 5 hrs	5hrs
9	April	13. Pre-operative and post-operative care 2 hrs	Pre-operative, Operative and post-operative care- homoeopathic approach in pre and post operative care 6 hrs	6 hrs
10	May	Summer vacation		
11	June	16. Integrated seminars on clinical aspect -5hrs	Integrated seminars on clinical aspect, HMM, and principles of organon in understanding general surgical conditions- 5hrs	5hrs
12	July	Final theory and oral practical Exams		
		Total – 44 Hrs		52hrs

Dr Sukumar Magdum Foundation's
Late Mrs Housabai Homoeopathic Medical College Nimshiragaon
Dept. Of Surgery and Homoeopathic Therapeutics
Month wise Syllabus Distribution of Theory for II BHMS for Academic Year
2022-2023
Dr Dhanashree Balerao

Sl No.	Month	Topics with Allotted Hrs	Sub-topics with Required Hrs	Req.Hrs
1	August	1. Fluid and electrolyte acid base balance	Physiology of body fluids, Normal exchange of fluid and electrolyte, Electrolyte imbalance, Acidosis, 4hrs	4 hrs
2	September	2. Fluid and electrolyte acid base balance 8 hrs	Alkalosis and methods of fluid and electrolyte replacement. Blood Transfusion parenteral fluid therapy. Homeopathic management in electrolyte imbalance 4hrs	4hrs
3	October	3. Sinus and fistula - 2 hrs	Aetio-pathogenesis, types and general and Homoeopathic managementn 2hrs	4hrs
4	November	4. Ulcers – 3hrs	Types, clinico-pathological presentation, General management. Understanding scope of homoeopathy in healing , non-healing and spreading types of ulcers. 4hrs	4hrs
5	December	5. Wounds - 4 hrs	Wounds, tissue repair, scars and wound infection.Types, pathological presentation, inflammation, epithelialisation, granulation tissue formation, Regeneration, repair, wound contraction etc.Healing withprimary and secondary intentions.Homoeopathic approach in wound cases.4 hrs	4hrs
6	January	6. Head injury-	Mechanism and types of fractures classification of fractures. Types of brain injury Intracranial haemorrhages. General and systemic examination in head injury cases. 4 hrs	4hrs

7	February	7. Head injury- 8hrs	Preliminary management of head injury cases. Understanding level of consciousness. Special investigations in head injury. General principles of management in case of head injury 8hrs	4hrs
8	March	8. Understanding role of Nutritional deficiencies in surgical disorders, 2 hrs 9. Leprosy-	Understanding role of Nutritional deficiencies in surgical disorders, understanding pre-operative assessment of nutrition to prevent post operative complications. Understanding role of homoeopathy in nutritional surgical disorders. 2 hrs Clinical staging, Clinical and subclinical diagnosis. General principles of management and Homoeopathic approach in treatment of special infections as curative or palliative. 2hrs	4hrs
9	April	10. Syphilis.	Clinical staging, Clinical and subclinical diagnosis. General principles of management and Homoeopathic approach in treatment of special infections as curative or palliative. 4hrs	4hrs
10	May	Summer Vacation		
11	June	11. AIDS-	Clinical staging, Clinical and subclinical diagnosis. General principles of management and Homoeopathic approach in treatment of special infections as curative or palliative. 4hrs	4hr
12	July	Final theory and oral practical Exams		
		Total - 36hrs		40hrs
