Advance Teaching Plan

A/Y: 2026-2027

Dr Prajakta Udgave

Sr. No	Month	Name of Topic	DISTRIBUTION OF SUBTOPICS OF LECTURES	No. of Lectures
Term 1				
1	May 2026	Hahnemann's Preface and Introduction to Organon of Medicine	Discuss the changes from 5 th to 6 th edition	1
			Discuss 4 epochal figures in History of Medicine Define-Tolle causam Cessat effectus cessat causa	1
Summer Vacation				
2	June		Discuss the advantages of Homeopathy	1
			Discuss the methods of treatment during and before Hahnemann materia peccans	1
			Discuss the criticism on blood letting and Duce naturae and the management of intestinal parasites	2
3	July	Actions of medicine-points necessary for the cure (§ 146-149)	§ 146	1
			§ 147-149	1
		Management and Treatment of various kind of diseases- acute/ chronic/ surgical	§ 150 Indisposition	1
			§151 Complete picture of disease	1

4	August	/one sided/ epidemic, etc (§ 150-171)	Revision PA 1	2
			§152 Remedy selection in acute disease	1
			§ 153 PQRS	1
5	September		§154 Antitype and its response	1
			§155-156 Homeopathic Cure	1
			§ 157-161 Remedy response in acute diseases	1
			§ 162-163 Partial Similimum	1
6	October		§ 164-167 Paucity of symptoms	1
			§ 168-171 Zigzag mode of treatment Change of remedies	1
			Revision	Term Test
Term 2				
7	November	Winter Vacation		
		Remedy Reaction	Kent Chapter XXXIV	2
8	December		Kent Chapter XXXV	4
9	January 2027	Idiosyncrasy	Stuart Close Chapter VIII	1
			Kent Chapter XXIX	1
		Second Prescription	Kent Chapter XXXVI	2
10	February		Roberts Chapter XVI	2
		Revision	PA 2	2
11	March	Revision	Revision	4
12	April	MUHS Examination

III B.H.M.S (2022)

Advance Teaching Plan

A/Y: 2026-2027

Dr. Jyoti A. Pardeshi.

SR. NO.	MONTH	NAME OF TOPIC	DISTRIBUTION OF SUBTOPICS OF LECTURES	NO. OF LECTURES REQUIRED FOR EACH
Term 1				
1	May 2026	Revision § 1 to 70	§ 1-17, § 18-35	1
			§ 36-53, § 54-70	1
Summer Vacation				
2	June	J.H. Allen's The Chronic Miasms – Psora and Pseudo-psora; Sycosis	Define and explain the concept of chronic miasms in homeopathy Hahnemann's concept of chronic diseases as stemming from miasms	1
			Recognise the signs and symptoms of latent and developed psora Appreciate the dangers of suppressing the external symptoms of Psora	1
			Illustrate the importance of treating the internal miasm for a complete cure Describe the process of infection and development of psora	1
			Discuss the concept of pseudo-psora and its relationship to the combination of different miasms Explain the importance of recognizing miasmatic influences in case analysis and remedy selection	1
3	July		Identify the limitations and errors that can arise in treating chronic miasmatic diseases Discuss the broader implications of miasmatic theory for understanding health, disease, and the human condition	1
			Explain the difference between the two distinct schools of homeopathy Identify three points in Dr. Hughes'	1

		Miasms & their relation to pathology	teachings that emphasize the value of the law of similars in homeopathy	
			Explain why Hahnemann rejected pathology in favour of symptomatology Discuss the relationship between pathology and miasms	1
			Discuss the relationship between pathology and miasms	1
4	August	Revision	PA 1	1
			Explain the concept of chronic miasms and their role in disease Development Describe the impact of suppressing acute diseases on the underlying miasmatic state	1
			Analyze the relationship between acute miasmatic diseases and chronic miasms Explain the relationship between bacteria and pathology Analyze the limitations of focusing solely on the physical and chemical aspects of disease	1
5	September		Discuss the limitations of cellular pathology in explaining the origin and development of disease Evaluate the contributions of Hahnemann and Virchow to the understanding of disease	1
			Explain the relationship between miasms and abnormal growths	1
		The relationship of the miasms to abnormal Growths	Describe the concept of potentiality in the context of miasms Analyze the progression of disease from a miasmatic perspective	1
			Evaluate the role of suppression in miasmatic disease	1
6	October	Scrofula & its miasmatic basis	Define scrofula Explain the relationship between scrofula, syphilis, and psora	1
			Describe the symptoms and characteristics of scrofula	1
			Discuss the miasmatic treatment of scrofula	1

Term 2				
7	November	Winter Vacation		
		Revision	Term Test	2
		Basic symptoms of Psora	Identify the symptoms of Psora in various system	1
			Identify the symptoms of Psora in various system	1
8	December	Sycosis	Define and differentiate between Sycosis and gonorrhoea simplex	1
			Identify the primary, secondary, and tertiary stages of Sycosis and their accompanying symptoms	1
			Explain the dangers of suppressing Sycosis, particularly through local treatment and operative methods	1
9	January 2027		Describe the impact of Sycosis on various systems and organs, including the reproductive, urinary, respiratory, digestive, and nervous systems	1
			Discuss the homeopathic approach to treating Sycosis, including the use of anti-sycotic remedies and the importance of addressing the underlying miasm	1
		Revision § 83to 145	§ 83- 88	1
			§89-100	1
10	February	Revision	PA 2	1
			§101-112	
			§ 113-118	1
11	March		§ 119-124	1
			§ 125-130	1
			§ 131 – 133	1
		Revision	Revision	1
12	April	MUHS Examination

Advance Teaching Plan

A/Y: 2026-2027

Dr Bhagyashree Patil

Sr. No	Month	Name of Topic	DISTRIBUTION OF SUBTOPICS OF LECTURES	No. of Lectures
Term I				
1	May 2026	Management and Treatment of various kind of diseases- (§ 231-244)	§ 231-234 Define & discuss Intermittent and Alternating diseases with examples List the types of Intermittent fevers	1
			Discuss the methods of finding similimum in intermittent fevers Discuss the time of administering the medicines in Intermittent fever with reasons	1
Summer Vacation				
2	June		Discuss the management of epidemic intermittent fevers	1
			Discuss the management of pernicious intermittent fevers	1
			Revision of types of Intermittent fevers	1
			Discuss the management of endemic intermittent fevers	1
3	July	Susceptibility	Kent Chapter XIV—Analyse § 31-33	4
4	August		Roberts Chapter XVII – Analyse the rules of susceptibility. Recognize the importance of normal susceptibility. Infer the relation of susceptibility with immunity.	3
		Revision	PA 1	1
5	September		Stuart Close Chapter VII	4

			Define Susceptibility. Discuss how susceptibility is modified Define deficient and excessive reaction	
6	October	Ancillary-auxiliary measures(§286-291)	§286	1
			§287	1
			§288 - 289	1
			§290	1
			§291	1
Term 2				
7	November	Winter Vacation		
		Revision	Term Test	2
8	December	Posology	Robert Ch. XII	2
			Robert Ch. XIII	2
9	January 2027		Stuart Close Chapter XIII	4
10	February	Revision	PA 2	1
		Palliation	Kent Chapter XXXVII	1
			Roberts Chapter XIX	1
		Suppression	Robert Chapter XVIII	1
11	March		Stuart Close Ch. VI	1
			Stuart Close Ch. IX	1
		Revision	Revision	2
12	April	MUHS Examination

Advance Teaching Plan
A/Y: 2026-2027
Dr S. M. Chougule

Sr. No	Month	Name of Topic	DISTRIBUTION OF SUBTOPICS OF LECTURES	No. of Lectures
Term 1				
1	May 2026	Nature of Chronic Diseases	Appreciate Hahnemann's selfless motivation in sharing his discovery of homoeopathy	1
			Hahnemann's concern that contemporaries might not comprehend or follow his teachings	1
Summer Vacation				
2	June		The limitations of homoeopathy in treating non-venereal chronic diseases	1
			The events leading to discovery of chronic miasms	1
			Analyse Hahnemann's discovery that Psora, a chronic miasmatic disease, is the root cause of most non-venereal chronic diseases	1
			4 characters which helped Hahnemann to discover Chronic miasms	1
3	July		The history of occidental Psora	1
			Infer how Psora became the most universal mother of diseases important moments in the origin of chronic maladies	1
			Define Latent Psora The symptoms of Latent	2
4	August	Revision	PA 1	1
		Syphosis	Differentiate syphilis and sycosis	1
			Appreciate the consequences of suppressed sycosis The homeopathic treatment for sycosis The complexity of treating omplicated cases	1
			The three states in cure of syphilis	1
5	September	Syphilis	The nature and appearance of chancre The nature of syphilis its development Identification the dangers of conventional treatments for syphilis	1
			The way to treat syphilis with homeopathy The treatment of Syphilis complicated with Psora	1
			The nature of Psora The signs and symptoms of Psora	2

6	October	Understanding Psora and Its Treatment	Dangers of suppressing the primary Psora eruption	1
			Identification of the dangers of suppressing the primary Psora eruption Principles of homeopathic treatment for Psora	1
			The limitations and potential hindrances to the cure of Psora	1
			The principles of a healthy lifestyle in the context of treating chronic disease Justification of the appropriate use of adjuvants in anti-psoric treatment	1
Term 2				
7	November	Winter Vacation		
		Revision	Term Test	2
8	December		The 3 chief errors in the cure of Chronic diseases Summary of the time of administration of anti psoric medicines	1
		Kent's Chapter XVII	Distinguish between acute and chronic diseases	1
			Validate the impact of drug use on chronic diseases	2
9	January 2027	Kent's Chapter XX	The general characteristics of syphilis	1
			Syphilis, unlike acute miasms, has contagion in all its stages	1
			How homoeopathic remedies act on syphilis in different stages	1
			The common outward manifestations of early-stage syphilis	1
10	February	Revision	PA 2	1
		Kent's Chapter XXI	Differentiate between acute and chronic gonorrhoea	1
			Recognise the serious consequences of suppressing chronic gonorrhoea	1
			Sycosis and distinguish it from other miasm	1
			Estimate the impact of sycosis on marriage and offspring	1
11	March	Scope and Limitations of Homeopathy	Define the scope of homoeopathy and its limitations	1
			The significance of symptoms in homoeopathic practice	1
			The different causes of disease and their relation to homoeopathic treatment	1
		§ 71 – 83	§ 71 – 83	1
12	April	MUHS Examination
