 - 6) Distribution of syllabus in Question Paper is only meant to cover the entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
 - 7) Use a common answer book for all section B.

2. Short Answer Questions (Solve any 4 Out of 6) :- [4 × 5 = 20]

- a) Write about Green stick fracture.
- b) Write about Tennis elbow.
- c) Write about Color blindness.
- d) Explain Cystic hygroma.
- e) Explain Chemosis of conjunctiva.
- f) Explain the causes for hoarseness.

3. Short Answer Questions (Solve any 4 Out of 6) :- [4 × 5 = 20]

- a) Explain Calc carb., in delayed dentition.
- b) Explain Arsenic album in Allergic rhinitis.
- c) Explain Phosphorus in eye complaints.

- d) Explain Ruta in Carpel tunnel syndrome.
- e) Explain Bartya carb., in Adenoids.
- f) Explain Kali carb in Backache.

4. Long Answer Questions (Solve any 2 Out of 4) [2 × 10 = 20]

- a) Write Osteomyelitis in detail, with indications for Pyrogen and Flouric acid.

OR

- b) Define Sinusitis, types. Explain Maxillary sinusitis in detail, with indications for Kali bich.
- c) Explain Errors of Refraction in detail, with indications for Euphrasia and Ruta.

OR

- d) Explain Periodontal Disease with indications for kerosote and calc phos.

Long Answer Questions (Solve any 1 Out of Q. 5, 6 & 7) [1 × 20 = 20]

- 5. Describe the cyst of the oral cavity, - Mucocelè, Ranula and Dermoid cyst and give indications for Thuja, Iodum, Apis m.
- 6. Explain the injuries to joints - Dislocation & Subluxation and give indications for Belladonna, Lachnathus, Bryonia.
- 7. Explain Blepharitis in detail with indications for Puls, Graph., and Merc.

Third B.H.M.S. (2015) / Old Examination, Summer - 2024 Phase - II
GYNAECOLOGY & HOMOEOPATHIC THERAPEUTICS - I /
OBSTETRICS AND GYNAECOLOGY

Total Duration : Section A+B = 3 Hours

Section B Marks : 80

SECTION - B

- Instructions :**
- 1) Use black ball point pen only.
 - 2) Do not write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.
 - 3) All questions are **compulsory**.
 - 4) The number to the **right** indicates **full marks**.
 - 5) Draw diagrams **wherever necessary**.
 - 6) Distribution of syllabus in Question Paper is only meant to cover the entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
 - 7) Use a common answer book for all sections.

2) Short answer questions (any four out of six) : [4 × 5 = 20]

- a) Hysterosalpingography
- b) Describe menstrual pattern prior to menopause
- c) Ovulation tests
- d) Cryptomenorrhoea
- e) Cervical erosion
- f) Write differences between Trichomoniasis & Moniliasis

3) Short answer questions (any four out of six) : [4 × 5 = 20]

- a) Pyrogen in Pelvic abscess
- b) Conium in fibro adenoma of breast
- c) Natural methods of contraception
- d) Picric acid in Pruritis vulva
- e) Trillium Pendulum in DUB
- f) Kali carb in low backache

- 4) Long Answer Questions : (Solve any 2 out of 4) [2 × 10 = 20]
- Describe Vesicovaginal Fistula. Write indications of fluoric acid & Nitric acid for Vesicovaginal Fistula.
 - Describe genital prolapse. Write indications of Aurum Met & Lilium Tig for the same.
 - Describe Dysmenorrhea. Write indications of Mag phos for the same & Viburnum Op.
 - Describe Uterine fibroids. Write indications of Calcarea & Thuja for the same.

Long Answer Question (Solve any one from Q.5, 6 & 7) : [1 × 20 = 20]

- Describe Carcinoma of cervix in detail. Write indications of Hydrocotyle Carbo animalis & Carcinocin for the same.
- Describe Endometriosis in detail. Write indications of Phos, Amm-Carb & Thuja for the same.
- Describe Amenorrhea with types causes & investigations for Primary amenorrhea Write indications of Natrum Mur, Pulsatilla & Ferrum Met for amenorrhea.

Third B.H.M.S. (Old) (2015) Examination, Summer - 2024 Phase - II
GYNAECOLOGY & OBSTETRICS, INFANT CARE AND
HOMOEOPATHIC THERAPEUTICS - II

Total Duration : Section A+B = 3 Hours
