

Fourth B.H.M.S. (2015) Examination, (Phase - II) Summer - 2024
PRACTICE OF MEDICINE - I

Total Duration : Section A + B = 3 Hours

Section B Marks : 80

SECTION - B

- Instructions :**
- 1) Use **black ball point pen only**.
 - 2) **Do not** write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.
 - 3) **All questions are compulsory**.
 - 4) The number to the **right** indicates **full marks**.
 - 5) Draw diagrams **wherever necessary**.
 - 6) Distribution of syllabus in Question Paper is only meant to cover the entire syllabus within the stipulated frame. The Question paper pattern is mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the question is out of syllabus. As it is only for the placement sake, the distribution has been done.
 - 7) Use a common answerbook for all sections.

2. **Short Answer Questions (Solve any 4 out of 6) :-** **[4×5=20]**
- a) Write differential diagnosis for Hematemesis
 - b) Write clinical features of Frostbite
 - c) Write Types and clinical features of pneumothorax
 - d) Write causes and clinical feature of Cholecystitis
 - e) Write clinical features Klinefelter syndrome
 - f) Write Types & Grades of Dyspnea
3. **Short Answer Questions(Solve any 4 out of 6) :-** **[4×5=20]**
- a) Write indication of Lycopodium in Viral hepatitis
 - b) Write indication of Arsenic Alb in Peptic ulcer
 - c) Write indication of Arum triphyllum in Allergic Rhinnitis
 - d) Write indication of carbo veg in dyspepsia
 - e) Write indication of Ruta in Rheumatoid Arthritis
 - f) Write indications of podophyllum in diarrhea

4. Long Answer Questions (Solve any 2 out of 4) :- [2×10=20]
- a) Define Pneumonia with its types & clinical features with indication of Silicea for same.

OR

- b) Write clinical features of Chronic Pancreatitis with the indication of Iris Versicolor.
- c) Describe causes & clinical features of HIV and role of susceptibility in the treatment for same.

OR

- d) Describe causes & clinical features GERD with indication Natrum sulph for same.

Long Answer Questions (Any one from Q. No. 5, 6 and 7) :- [1×20=20]

5. Describe COPD under the following headings

Aetiology, Clinical features

Investigation and Indications of 2 Homoeopathic drugs

Scope & limitation in Homoeopathy

Miasmatic Understanding

6. Describe Irritable bowel disease under the following Headings

Aetiology

Clinical features

Indications of 2 Homoeopathic drugs

Scope & limitation of homoeopathy

Chronic Prescribing

7. Describe Cirrhosis of liver under the following headings

Aetiology

Clinical features

Indication of 2 Homoeopathic drugs

Scope & limitation

Chronic prescription

Fourth B.H.M.S. (2015)/(Old) Examination, (Phase - II) Summer - 2024
**PRACTICE OF MEDICINE - II/MEDICINE & HOMOEOPATHIC
THERAPEUTICS - II**

Total Duration : Section A + B = 3 Hours

Section B Marks : 80

SECTION - B

- Instructions :**
- 1) Use black ball point pen only.
 - 2) Do not write anything on the blank portion of the question paper. If written anything, such type of act will be considered as an attempt to resort to unfair means.
 - 3) All questions are compulsory.
 - 4) The number to the right indicates full marks.
 - 5) Draw diagrams wherever necessary.
 - 6) Distribution of syllabus in Question Paper is only meant to cover the entire syllabus within the stipulated frame. The Question paper pattern is mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the question is out of syllabus. As it is only for the placement sake, the distribution has been done.
 - 7) Use a common answerbook for all sections.

2. Short Answer Questions (Solve any 4 out of 6) :-

[4×5=20]

- a) Hypertrophic Cardiomyopathy.
- b) Neurological causes of bladder dysfunction.
- c) Genital Herpes Simplex.
- d) Causes and Clinical Features of Gout.
- e) Anorexia Nervosa.
- f) Senile Dementia.

3. Short Answer Questions (Solve any 4 out of 6) :-

[4×5=20]

- a) Adrenalin in Addison's Disease.
- b) Indications of Ledum Palustre in Osteoarthritis.
- c) Indications of Calc Carb in Delayed Milestones.
- d) Platina in Hysteria.
- e) Sarsaparilla in Renal Calculi.
- f) Camphora in Cholera.

4. Long Answer Questions (Solve any 2 out of 4) :- [2×10=20]

- Describe Diphtheria with indications of two Homoeopathic remedies.
- Describe in detail Eczema with its subtypes. Add a note on its miasmatic understanding with indications of Mezerium.
- Describe in detail Marasmus with indications of Abrotanum and add a note on Auxiliary Management.
- Write in detail about Iron Deficiency Anaemia. Add a note on its miasmatic understanding. Write indications of Ferrum Met.

Long Answer Questions (Any one from Q. No. 5, 6 and 7) :- [1×20=20]

- Describe Epilepsy. Write Classification & Differential Diagnosis. Explain in detail about Miasmatic Understanding and Write indications of Cicuta Virosa and Bufo Rana.
- Explain in detail Aortic Regurgitation. Write indications of Cactus Grandiflorus and Digitalis. Add a note on its Chronic Prescription.
- Write in detail about Hypopituitarism. Explain its Miasmatic Understanding. Write indications of two Homoeopathic drugs.

Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the question is out of syllabus. As it is only for the placement sake, the distribution has been done.**
 - 7) **Use a common answerbook for all sections.**

2. Short Answer Questions (Solve any 4 out of 6) :- [4×5=20]

- a) Keynote type of study of Homoeopathic Materia Medica with three example of keynote.
- b) Physical Generals of Ferrum Phos
- c) Arnica Montana - Guiding Symptoms
- d) Pulsatilla - Mental Symptoms
- e) Describe Calc Carb. - Baby
- f) Headache of Gelsemium

3. Short Answer Questions (Solve any 4 out of 6) :- [4×5=20]

- a) Staphysagria - Mental Symptoms
- b) Acetic Acid - Physical generals
- c) Digitalis - Heart Complaints
- d) Modalities & ailments from of Chelidonium
- e) Biochemic indication of Mag phos
- f) Constipation of Opium

4. Long Answer Questions (Solve any 2 out of 4) :- [2×10=20]

- Compare & contrast respiratory complaints of Nat sulph & Ipecac.
- Compare & contrast skin of Nitric acid & Graphitis.
- Compare & contrast GIT complaints of Veratrum album & Carbo veg
- Compare & contrast joint complaints of Rhus tox & Bryonia alb.

Long Answer Questions (Any one from Q. No. 5, 6 and 7) :- [1×20=20]

5. Describe drug picture of Pulsatilla.

6. Describe drug picture of Ignatia.

7. Define Homoeopathic Materia Medica. Describe different ways of studying Homoeopathic Materia Medica.

[4×5=20]

Short Answer Questions (Solve any 4 out of 6) :-

- Keynote type of study of Homoeopathic Materia Medica with three example of keynote.
- Physical Generals of Ferrum Phos
- Amica Montana - Guiding Symptoms
- Pulsatilla - Mental Symptoms
- Describe Calc Carb - Baby
- Headache of Celserium

[4×5=20]

Short Answer Questions (Solve any 4 out of 6) :-

- Staphysagria - Mental Symptoms
- Acetic Acid - Physical Generals
- Digitalis - Heart Complaints
- Modalities & ailments from of Chelidonium
- Biochemic indication of Mag phos
- Constitution of Opium
