 - 6) Distribution of syllabus in Question Paper is only meant to cover the entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
 - 7) Use a common answer book for all sections.

2. Short Answer Questions (any 4 out of 6) : [4 × 5 = 20]

- a) Discuss S/S & Management of Organophosphorus poisoning.
- b) Write Diagnostic criteria & Deformities of Rheumatoid Arthritis.
- c) Write causes & clinical features of Downs Syndrome.
- d) Explain Aetiology, S/S & General management of Frostbite.
- e) Mention Types & Differential diagnosis of Jaundice.
- f) Write Aetiology & Clinical features of Emphysema.

3. Short Answer Questions (any 4 out of 6) : [4 × 5 = 20]

- a) Write indications of Silicea & Arsenicum Alb. in Pulmonary tuberculosis.
- b) What is role of Susceptibility of Viral Hepatitis
- c) Write indications of Chelidonium in Cholecystitis.
- d) Write indication of Carbo veg & Phosphorus in gastritis.
- e) Write Indication of Lycopodium in Liver disorders.
- f) Write indications of Syzgium & Uranum Nitricum in Diabetes mellitus.

4. **Long Answer Questions (Solve any 2 out of 4) :** [2 × 10 = 20]
- a) Describe Causes of Hepatomegaly & indications of Chionanthus in Liver disorders.
 - b) Describe Clinical features of AIDS And role of Susceptibility in the treatment of the same.
 - c) Describe Causes, Clinical features & indications of Bryonia in Pneumonia.
 - d) Describe Differential Diagnosis of GERD and indications of Nux vomica for any one.

Long Answer Questions (Any one from Q.No. 5, 6 and 7) [1 × 20 = 20]

5. **Discuss Haemorrhoides under the following heading**
Aetiology & Clinical features, Investigations & general management, Scope & limitation of Homoeopathy, Indications of 2 Remedies.
6. **Discuss Chronic Bronchitis under following headings :**
Definition & Aetiology, Clinical features & investigations, Scope & limitation of homoeopathy, Miasmatic understanding.
7. **Describe Pancreatitis under the following headings**
Aetiology & Clinical features, Investigations, Acute prescribing. Indications of 2 Homoeopathic Remedies.

Fourth B.H.M.S. (Old)/(2015) Examination, Summer - 2025 Phase - II
MEDICINE & HOMOEOPATHIC THERAPEUTICS & PRACTICE OF
MEDICINE - II

Total Duration : Section A + B = 3 Hours

Section B Marks : 80

SECTION - B

- Instructions :**
- 1) Use **black** ball point pen only.
 - 2) **Do not** write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.
 - 3) **All** questions are **compulsory**.
 - 4) The number to the **right** indicates **full** marks.
 - 5) Draw diagrams **wherever** necessary.
 - 6) Distribution of syllabus in Question Paper is only meant to cover entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
 - 7) Use a common answerbook for Section B.

2. Short Answer Questions (Any 4 out of 6) :

[4×5=20]

- a) Write causes of Bradycardia.
- b) Write investigation of Rheumatoid Arthritis.
- c) Describe in detail Marasmus.
- d) Describe in detail Obsessive Compulsive Disorder.
- e) Write clinical feature of Beriberi.
- f) Write clinical feature of Hemiplegia.

P.T.O.

3. Short Answer Questions (Any 4 out of 6) :

[4×5=20]

- a) Write indication of Syzygium Jambulingum in Diabetes Mellitus.
- b) Write indication of Eel Serum in Chronic Renal Failure.
- c) Write indication of Calcarea Phosphoricum in Ankylosis Spondylitis.
- d) Write indication of Cina For Pica in childrens.
- e) Write indication of Platina in Personality Disorder.
- f) Write indication of Urtica Urens in Urticaria.

4. Long Answer Questions (Solve any 2 Out of 4) :

[2×10=20]

- a) Describe Renal Calculi its types & investigation and indication of Sarsaparilla.
- b) Write cause and clinical feature of Gonorrhoea with indication of Medorrhonium for the same.
- c) Describe complication of Obesity and write indication of Phytolaca Indica for the same.
- d) Write clinical feature and indication of Baptisia in Enteric Fever.

Long Answer Questions (any one from Q.No. 5, 6 and 7) :

[1×20=20]

5. Describe Stroke under the following Heading definition and classification investigation scope and limitation of homeopathy acute prescribing.
6. Describe infective endocarditis under following heading definition and etiology clinical feature scope and limitation of Homoeopathy Ancillary mode of treatment add a note on commonly used homoeopathic medicines for same.
7. Describe Dengue under the following heading clinical feature investigation chronic prescribing auxiliary mode of treatment add the note on commonly prescribed homoeopathic medicines for same.
