As it is only for the placement sake, the distribution has been done.
 - 7) Use a common answerbook for section B.

2. Short Answer Questions (Solve any 4 out of 6):

[4×5=20]

- ✓ a) Guiding indications of Silicea.
- ✓ b) Biochemic indications of Natrum phos.
- ✓ c) Mental symptoms of Lycopodium.
- ✓ d) Sources of homoeopathic materia medica.
- ✓ e) Indications of Aloe soc in GIT.
- ✓ f) Physical generals of Arsenicum album.

3. Short Answer Questions(Solve any 4 out of 6):**[4×5=20]**

- a) Indications of phytolacca in glandular complaints.
- b) Physical generals of selenium.
- c) Indications of Chelidonium in GIT.
- ✓ d) Mental symptoms of Anacardium.
- ✓ e) Ailments and modalities of Lachesis.
- ✓ f) Guiding symptoms of Syphilinum.

4. Long Answer Questions (Solve any 2 out of 4):**[2×10=20]**

- ✓ a) Compare Cina and Chamomilla in babies.

OR

- ✓ b) Compare Gelsemium and Baptisia in fever.

- c) Compare cactus and digitalis in heart complaints.

OR

- d) Compare belladonna and stramonium in delirium and mania.

Long Answer Questions (Any one from Q.No. 5, 6 and 7):**[1×20=20]**

- 5. Discuss the general characteristics of Acid group and describe Nitric acid in detail.
- 6. Define homoeopathic materia medica. Discuss the philosophy and construction of homoeopathic materia medica.
- ✓ 7. Describe the drug picture of Natrum Mur in detail.

Fourth B.H.M.S. (New)/(Old)/(2015)
Examination, (Phase - III) Summer - 2023
HOMOEOPATHIC MATERIA MEDICA - II (Paper - II)

Total Duration : Section A + B = 3 Hours

Section B Marks : 80

SECTION - B

- Instructions :**
- 1) Use **black** ball point pen only.
 - 2) **Do not** write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.
 - 3) **All** questions are **compulsory**.
 - 4) The number to the **right** indicates **full** marks.
 - 5) Draw diagrams **wherever** necessary.
 - 6) Distribution of syllabus in Question Paper is only meant to cover entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the question is out of syllabus. As it is only for the placement sake, the distribution has been done.
 - 7) Use a common answerbook for section B & C.

2. Short Answer Questions (Solve any 4 Out of 6) :-

[4×5=20]

- ✓a) Mental symptoms of Argentum Metallicum.
- ✓b) Physical generals of Iodum.
- c) Guiding symptoms of Merc sol.
- ✓d) Therapeutic indications of Eupatorium per.
- ✓e) Clinical indications of Bacillinum.
- f) Ailments and Modalities of cocculus indicus.

3. Short Answer Questions (Solve any 4 Out of 6) :-

- ☒ a) Guiding symptoms of Medorrhinum.
- ☒ b) Key note symptoms of Veratrum Viride.
- ☒ c) Therapeutic indications of Lilium tig
- ☒ d) Mental symptoms of Causticum.
- e) Causations & modalities of Rhododendron.
- f) Physical generals Hydrastis can.

4. Long Answer Questions (Solve any 2 Out of 4) :-**[2×10=20]**

- a) Compare Antimonium ars. and Acalypha indica in respiratory complaints.

OR

- ☒ b) Compare Helonias dioica & Lilium tig in female complaints.
- c) Compare ocimum sanctum and Sarsaparilla in urinary complaints.

OR

- ☒ d) Compare Cedron and Chininum arsenicosum in fever.

Long Answer Questions (Any one from Q. No. 5, 6 and 7) :-**[1×20=20]**

- 5. Describe in detail the drug picture of Zincum met.
- 6. Describe in detail the drug picture of Carcinosin.
- 7. Discuss general characteristics of Magnesium group and guiding features of Mag. carb.

**Fourth B.H.M.S. (New)/(2015) Examination, (Phase - III) Summer - 2023
ORGANON OF MEDICINE & HOMOEOPATHIC PHILOSOPHY - I (Paper - I)**
